

Building Plymouth Open Sites 2026

Monday 2 March – Friday 6 March 2026

Building Plymouth invites you to be part of the city's biggest capital build programme in 25 years!

During National Careers Week w/c 2 March, we aim to inspire young people, career changers and job seekers through opening construction sites across the city. Join us to discover how the buildings and structures in our community are constructed and to learn more about the 180+ careers in construction and the built environment and how your skills could help build a bright future.

To book a place or a group booking (usually up to 15 people, site dependant) email hello@buildingplymouth.co.uk
First come, first served for bookings. We reserve the right to change the programme and site opening times.
