

APPRENTICESHIP OPPORTUNITIES BULLETIN January 2026

Gain skills for life through an apprenticeship in Plymouth

Start the new year by exploring exciting opportunities to boost your career! January is the perfect time to think about your future and discover the benefits of apprenticeships – a fantastic way to gain skills for life while earning as you learn.

This Apprenticeship Bulletin has been created to support young people and adults in exploring the latest live vacancies in and around Plymouth. Apprenticeships are real jobs with training, offering anyone aged 16+ the chance to gain hands-on experience in a chosen sector while working towards a nationally recognised qualification. With options ranging from Level 2 right up to degree level, apprenticeships provide a clear pathway to success.

In this edition, there are over 100 local vacancies that are directly linked to an employer, including:

- 10 in administration, business and customer service
- two in autocare and mechanical
- 12 in construction and the built environment
- seven in education and childcare
- 40 in engineering, manufacturing and marine
- two in health and social care
- five in hair and beauty
- three in hospitality, retail and tourism
- one in IT
- 24 in public services
- two in warehousing and driving.

In addition to the vacancies advertised here, if you know an employer looking to take you on as an apprentice, we can connect you with a training provider to arrange the apprenticeship.
