APPRENTICESHIP OPPORTUNITIES BULLETIN NOVEMBER 2026

Gain Skills for Life with Apprenticeships in Plymouth

Our November edition of the Apprenticeship Bulletin is the perfect opportunity to explore how apprenticeships can help you gain skills for life. Whether you're just starting out or looking to progress in your career, apprenticeships offer an inspiring way to earn while you learn, build confidence, and develop a future you can be proud of.

This edition has been created to help young people and adults discover the latest live apprenticeship vacancies in and around Plymouth. Apprenticeships are real jobs with high-quality training, giving anyone aged 16+ the chance to gain hands-on experience in a sector that interests them, while working towards a nationally recognised qualification.

With opportunities available from Level 2 right through to degree level, apprenticeships provide clear and achievable pathways into fulfilling and rewarding careers.

In this edition, you'll find some fantastic live vacancies, directly linked to local employers, including:

- nine in administration, business and customer service
- one in automotive
- two in childcare and education
- six in construction and the built environment
- 12 in engineering, manufacturing and marine
- three in health and social care
- two in IT and digital
- 44 in public services
- two in tourism, hospitality and retail

In addition to the vacancies advertised here, if you know an employer looking to take you on as an apprentice, we can connect you with a training provider to arrange the apprenticeship.
